

# What You Believe About Who You Are Determines Your Behavior.

**Freedom and Victory**

I understand that Satan has no authority because I'm dead to sin

I realize my true identity as a saint; I am righteous, holy and blameless

I appropriate my co-crucifixion and co-resurrection and Christ as my life

I know that my old self (sin nature) was crucified; that the body of sin is destroyed

I believe that my old self (sin nature) is very much alive and active.

I resign myself to a life long struggle of trying to do what I should

I realize my true identity is my flesh and I am a sinner

I understand that because I am a sinner, Satan exercises authority

I focus on the sin in my life to fight it, but it overcomes me
